Société Nautique de Genève statement following Justice Kornreich's latest decision

Fred Meyer, SNG vice-commodore:

"New York Supreme Court Justice Kornreich has brought a degree more certainty to the 33rd America's Cup today. It is good to at last have her decision on some of the pending issues. Alinghi continues to focus on its training programme ahead of the Match for the 33rd America's Cup against BMW Oracle on 8 February 2010."
